

Advice to Competitors

Your attendance at a trial as a competitor will be taken as confirmation that you have had no symptoms of Covid 19 during the 14 days prior to the competition, and that you consent to your address details to be held for 21 days after the trial for track and trace requirements.

If a spectator travels with you, please provide their contact details to the Covid compliance officer appointed by the course director.

Follow current social distancing guidelines at all times.

Wash your hands regularly with soap and water or use hand sanitiser.

Do not share equipment.
